Students and Parents

Attendance Policy - Overview

Attendance

- A. Arrival after 10:00 AM on in person days and 1:00PM (student check in) when on remote days, makes an athlete ineligible for practices & contests
- B. Tardy = coming in late, but before 10:00 AM
- C. Second Tardy and beyond = ineligible that day for practices & contests
- D. Excused for illness = ineligible that day for practices & contests
- E. Absent from school = ineligible that day for practices & contests

Academic Policy - Overview

- Athletes receiving lack of effort referrals and/or failing grades at the end of a marking period, will be placed in Athletic Study Hall. This will be done on a case-by-case basis based on student schedule, available transportation, etc.
- Athletes not improving in their classes that had lack of effort referrals will cause the athlete to become Ineligible.
- Important to read pages 13 and 14 in Athletic Handbook

Spectators

NOTE: Not all schools this fall are allowing spectators to be in attendance. It is important to check the athletic calendar for any notes that be with the event. Coaches should be giving specific information about away events that they can share with their players (to alert you as parents).

For home events, based on current DOH information at this time, we are limited to TWO spectators PER athlete. Each player will be given two numbered passes to give to family members. Those schools in the LCAA that are in other counties will be checking the passes so make sure you have them with you! These will turned back in at the end of the season, so please don't destroy them. Visiting spectators will not be allowed at this time at our home events.

Monday, March 29, 2021

TIME	EVENT	DETAILS
5:30pm	Volleyball: Girls JV Match 	vs. Dansville @ Dansville High School <i>Visiting spectators are allowed 1 per athlete and Home spectators are allowed 2 per athlete with a pre-issued pass. Games will be livestreamed. You can access the livestream by clicking on the blue camera above. Fans will not be able to enter the facility until 15 minutes prior to scheduled start. Visiting fans will be seated across from the visiting bench area while home fans will be seated across from the home bench.</i>
6:00pm	Football: JV Game 	vs. Wellsville @ Haverling High School Football/Lacrosse/Track Stadium <i>Per Steuben DOH guidelines, two spectators per HOME athlete are allowed to be in attendance. No guest spectators are allowed at this time. Click the blue camera icon to connect to the live stream.</i>
7:15pm	Volleyball: Girls Varsity Match 	vs. Dansville @ Dansville High School <i>Visiting spectators are allowed 1 per athlete and Home spectators are allowed 2 per athlete with a pre-issued pass. Games will be livestreamed. You can access the livestream by clicking on the blue camera above. Fans will not be able to enter the facility until 15 minutes prior to scheduled start. Visiting fans will be seated across from the visiting bench area while home fans will be seated across from the home bench.</i>

Spectators Con't

Spectators should be following current DOH guidance at this time in reference to facemasks. Facemask should be worn by spectators when they cannot maintain 6' distance from each other (i.e. you go to the bathroom during an event you should have your mask on).

Once you are seated in the bleachers or in a chair and are distanced from non-family members, you can remove your masks (outside only). NOTE: For those schools that are allowed to have visiting spectators they may have require the mask to be worn the full time.

Transportation

All Athletes are Expected to Ride to and from all Contest on School Provided Transportation

If you do want to take your son/daughter home with you after a contest you will need to see the coach to sign them out.

If you want your son/daughter to be able to ride home with another adult there is a form (on the athletic department pages on the school's website) that needs to be filled out ahead of time and then given to the coach at the game.

Bus Expectations

In order to ensure safe bus trips to our away contests, all athletes need to:

- Stay in your seats and face forward at all times. This includes staying out of the aisles while the bus is in motion.
- Keep your volume down. There should be no loud yelling or conversations that could distract the driver.
- Not use flash photography as this is a distraction for the driver.

Bus Expectations Con't

In order to ensure safe bus trips to our away contests, all athletes need to:

- Throw out all of your trash when exiting the bus.
- Respect the driver. Their number one goal is getting you to and from events safely.
- Wear your mask throughout the trip
- One per seat, sit next to the windows. When loading, first ones getting on go to back seats and then move forward. Reverse this when getting off the bus.

Bus Expectations Con't

Coaches will be putting together a seating chart for their teams. For contact tracing it is important that the players sit in their assigned seats for each trip—both to the event and when returning home.

Buses this year will be picking up and dropping off teams at the lower entrance to the high school gym.

Chain of Command

10 Communication with athletes, parents, administration, Athletic Director, and coaches is vital to the success of all athletic programs.

During the course of the season, concerns arise. The following communication process should be followed:

1. Player arranges meeting with coach
2. Parent arranges meeting with coach
3. Parent arranges meeting with Athletic Director
4. Parent arranges meeting with Athletic Director and Principal
5. Parent arranges meeting with the Superintendent.

Concussion Management

2.9 All athletes with suspected concussions will be referred to a physician for a post-injury medical evaluation to rule-out more serious intracranial pathology and neuropsychological examination. The return to play protocol will be implemented, only upon clearance by the school physician. The school physician will base his decision on documentation provided by the school nurse (which may include additional ImPACT results) and/or from the student's personal physician. If there are still questions or concerns, an in person exam/interview may be required.

Return to play will follow the following stepwise protocol (generally 24 hours in between protocol phases):

1. Light aerobic exercise such as walking or stationary bicycling; no resistance training.
2. Sport-specific exercises (ex: skating for hockey, running for soccer), progressive addition of resistance training.
3. Non-contact training drills
4. Full contact training
5. Game play.

Athletic Trainers

Due to budget cuts, we will have limited athletic training services this year. There are no trainer hours at the school this year.

After School...

No athletes should be staying after school unless it is coordinated with a teacher. The traditional gathering locations are unavailable this fall. All athletes should leave the building at 2:15PM and return only for their practice/contest time or bus depart time.

Social Media: Athletes/Parents

Social Media: Do's and Don'ts

DO stay positive when posting on social media. Putting a positive spin on disappointing situations shows good character.

DO NOT post anything you wouldn't want your parents, teachers or employer to see.

DO share those postgame selfies with your team. Say how the game went and show you're a team-first player.

DO NOT criticize coaches, teammates or opponents. Avoid airing out frustration when things don't go your way.

DO make sure your social media presence reflects who you are in real life. Make sure people see you the way you want to be portrayed.

Parent Responsibilities

- Be the model of sportsmanship
- Observe the 24-hour rule when communicating with coaches
- Let the coaches coach, the players play, the officials officiate
- Be a positive spectator
- Please come out and support all Haverling teams this fall.

Sportsmanship

Be a Fan not a Fanatic!

- Remember to keep your cheering positive.
- Remember that no one is perfect. Players, coaches and officials will all make mistakes. Inappropriate comments being yelled out will not fix a mistake and will only create problems in the crowd or on the field.

Thank you for attending
tonight's meeting.

If you have individual
questions, please email
me at:
