

### **Overview**

The Bath Band Boosters sponsor the “**R.A.M.S.**” (***Reaching All Music Students***) **program**. Its purpose is to provide instruments to students in grades 4-12 who wish to participate in the Bath Instrumental Music Program, but lack the financial means to rent an instrument.

### **Process**

To apply to the RAMS program, simply fill out the **RAMS Application** on the next page, and return it to school. The application will be reviewed and you will be contacted at a later date to let you know that your application was approved.

If the application is approved, a loan contract will be given to you by Mrs. Cole. The contract states that the instrument will be used in conjunction with the Instrumental Music Program, treated with care, returned when the teacher asks for it (at the end of the year for its yearly checkup), and that no one but the student may play it. Please read the contract, and if you agree to the terms, sign it and return it to school. **The instrument will be handed over ONLY after the loan contract is returned to school.**

Please know that all information is kept confidential.

**The application deadline is October 10, 2022 .**
